SEOUL WALLPAPER since 1968

## With 55 Years Of History, Seoul Wallpaper Is The Wallpaper For Tomorrow.

Since establishment in 1968, we have consistently put every effort of ours to improve quality of wallpaper materials development and diverse designs and grew and achieved to become the leader of the wallpaper industry. Based on accumulated technology, we are actively performing to create the new future of wallpaper culture and to leap toward wider areas.

## Discover environmentally-safe wallpaper options at Seoul Wallpaper.

With the climate debate raging, we are rightfully proud of being a responsible manufacturer who works tirelessly to manage our impact on the environment both globally, and locally. We've taken this approach for over seventy years. We make products, so naturally energy and materials are consumed so we know we can make a big difference in small ways.

# PHTHALATE FREE

Passes stability of international accredited institutions

## We Produce Wallpaper Using Premium Eco-Friendly Additives.

For the first in the world, Seoul Wallpaper succeeded producing the premium eco-friendly wallpaper without any Phthalate additive which is known as the endocrine-disrupting chemical.

## The Durability Of Wallpaper Againsts External Environment Has Been Enhanced.

The new premium eco-friendly wallpaper which applied eco-friendly additives not only fundamentally resolved the harmfulness of endocrine-disrupting chemical but also drastically improved the issue of discoloration or stains from the existing wallpapers.
